

RSL VICTORIA MEDIA STATEMENT

30 March 2021

The Returned & Services League of Victoria (RSL Victoria) was disappointed to learn of RSL National President Major (Retd) General Melick's comments about Julie-Ann Finney. The comments are his own and do not represent the views of RSL Victoria or our members.

RSL Victoria supports the calls for a Royal Commission into Veteran Suicide and will continue to publicly advocate on this important issue. Veteran suicide is a complex and very emotive issue for the serving and ex-serving community. It is critical that we get to the bottom of the causes quickly and put measures in place to substantially reduce the risk of suicide in the veteran population.
