Statement of Suitability for appointment (max 400 words)

I am seeking re-election for the State Vice President's position. I was elected to the State Executive in 2016 and State Vice President in 2018 and have gained experience in many areas.

I have completed and awarded the Certificate in Governance for Not-for-Profits conducted by Governance Institute of Australia.

Since 2016 I have acted in good faith and always in the best interest of the RSL on all of the Committees I have been involved with. I have acted with care and diligence in the duties and responsibilities assigned to me in accordance with the Charter and the State Branch Rules.

I have represented the State President Dr Rob Webster OAM as requested, on many occasions at functions held Statewide.

I have supported many Sub-Branches in Region 9, Regions 8A, 8B and 8C, in any way that is needed. I have made myself available to all members if assistance is required in all aspects of the work we do within the League.

My passion and dedication to work with the Veteran Community has been with me since I joined the League in 1978.

If re-elected I will continue to represent RSL Vic and your Sub-Branch to the best of my ability.
