CITATION

Please attach a citation with full details of the reason for the nomination. This should reference the qualities displayed which warrant the nomination.

A single typed A4 page (or equivalent handwritten) would be considered the minimum requirement. A chronological list of activities/appointments is insufficient, but important dates should be incorporated into the citation. Advice as to whether the service has been paid employment or unpaid voluntary is also important.

References from at least three other supporting persons is essential, particularly when the nominator is closely related to the nominee. Those from public figures [e.g. local members of Parliament, presidents of clubs, local council personages] are ideal.
